The Economic Community Development Committee is sponsoring a Christmas parade in the Town of Elkton on December 4, 2010.

Our focus is to include as many businesses and civic groups as possible in hopes that visitors will remain in town to eat and do some Christmas shopping. It may be an opportunity to show people what our town has to offer.

The theme of the parade will be "Ole Country Christmas" and we encourage local churches to participate by entering floats or other unique ideas to share about Christmas. Arts and crafts are encouraged to join in the event and earn some extra Christmas money. The Community Center still has spaces available (inside) for \$25.00. Call 540-298-8730 to make a reservation.
